Wholesome and Gratuitous Advice,

I have carefully examined "The Missisippi Justice and Business Form Book."—as recently recently revised, and do most heartily commend it, not only to Justices of the Peace, but to Lawyers and Business Herein, by 1234 inch Face, suitable to drive the College et al. Jones' Tonic, and Chill and first and Business Hen generally.

Appendix, containing a "Dictionary of less terms" in common use; the times of holding the various courte in the State; the statistics of populations of the State by Counties; the mitroads, and towns and cities therein, with distances, etc., make it an invaluable book, and it ought to meet with ready sale in every commonity in the State.
